

THE PARNELL INQUIRY.

STILL REHEARSING IRISH OUTRAGES.

THE GOVERNMENT CHARGED WITH USING ITS ENTIRE FORCE TO HELP "THE TIMES" CASE.

London, Nov. 23.—At the sitting of the Parnell Commission to-day an inspector of police, Mr. Higgins, testified concerning outrages at Castle Island, County Kerry.

Sir Charles Russell objected to the witness giving evidence regarding matters beyond his personal knowledge.

Presiding Justice Hannen said he admitted reports made by the police at times for what they were worth.

The witness, resuming, quoted from statistics which showed that from November, 1882, to September, 1884, 160 outrages were committed.

On cross-examination, witness said he believed that farmers' sons initiated outrages in order to evade the payment of rent. He knew of twenty bogus outrages. He was not aware that men had been convicted to damage their own property in order to secure compensation from the Quarter Sessions.

He did not think that all outrages were due to secret societies. Some of them were the result of family quarrels or of private malice. He had connected the League with moonlighting, because prior to the existence of the League Kerry had been peaceful.

Mr. Reid, of counsel for the Parnellites, asked: "What is your ground for assuming this connection?"

Witness.—At every meeting of the League landlords and bailiffs were denounced. As a consequence, both of these classes became unpopular, and nearly every man who has been murdered belonged to either one class or the other.

Mr. Lockwood, of the Parnellites' counsel, then asked the witness how long he had been engaged in getting up a case for "The Times."

Sir Henry James, of counsel for "The Times," objected to the question, whereupon Sir Charles Russell exclaimed, warmly, "The witness is asked to prove that the whole executive authority, even including the resident magistrates, is engaged in getting up 'The Times' case."

Witness then denied that "The Times" had employed him.

On re-direct examination by the prosecution, the witness stated that no case of bogus outrage had ever been returned by the police as a real outrage.

ARRIERS OF RENT IN IRELAND.

MR. PARNELL UNABLE TO GET THEM DEALT WITH BY THE LAND COMMISSION.

London, Nov. 23.—In the House of Commons this evening Mr. Sexton asked whether it was true that seven Irish members were about to be prosecuted, and, if so, whether there was any relation between the prosecution and the delay in the debate on the Irish Estimates. If there was not, he asked if Mr. Smith, the Government leader, would give assurance that members would not be withdrawn from their parliamentary duties until the estimates were settled.

Mr. Smith denied having any knowledge of the prosecution. He certainly desired members to remain until the estimates were considered. He then moved that the rule compelling adjournment at night be again suspended to enable the House to conclude the debate on the Irish Land-Purchase Bill.

His motion was carried by a vote of 105 to 150. On motion to go into committee on the bill, Mr. Parnell proposed an amendment giving the Government power to instruct the Land Commission to deal with arrears when fixing judicial rents. He urged that, in view of the fact that it was agreed on all sides that the arrears question must necessarily be settled, it ought to be dealt with without delay, in conjunction with the question of land purchase.

Mr. Parnell proposed that the commission be empowered to go into arrears in connection with land purchase, and to make a contract for purchase had been agreed upon, the arrears should be paid before the land was put into the hands of the tenant.

Mr. Dillon held that the mischief of arrears occurred before the agreement for purchase was signed. Mr. Parnell's motion was rejected by a vote of 182 to 148.

AGRIAN CRIMES IN IRELAND.

SEVEN MEMBERS OF PARLIAMENT TO BE PROSECUTED—A MURDER BY MOONLIGHTERS.

London, Nov. 23.—It is announced that Messrs John O'Connor, Flanagan, Sheehy, Mayne, Condon, Patrick O'Brien and Tanner, all members of the Irish Nationalist party in the House of Commons, will be prosecuted for intimidating voters of elected members.

Dublin, Nov. 23.—A farmer named Daly has been murdered at Tralee, County Kerry. He had returned from America recently and taken a farm from which a tenant had been evicted. He had been threatened with violence and had been compelled to abandon the property.

A coroner's jury at Middleton, County Cork, has rendered a verdict of wilful murder against Patrick Allen during a conflict between the people and the police at that place.

BOULANGER'S FOLLOWERS ALARMED.

A GOVERNMENT "COUP D'ETAT" SAID TO BE IN PREPARATION.

Paris, Nov. 23.—The Boulangerist and Conservative journals charge the Government with preparing a "coup d'etat," to be carried out on the occasion of the demonstration at the grave of the revolutionist Marianne, on December 2. They allege that Government agents will mingle with the people in the cemetery on that day and provoke a conflict. The leaders in the demonstration will then be arrested on trumped-up charges of having been engaged in plotting the overthrow of the state, and will be prosecuted for treason.

"La France" says General Boulanger in an interview asserted that he had definite information that Prime Minister Floquet was making preparations for a "coup d'etat" against the Boulangerists and abandoned them only because they were prematurely revealed.

The "Journal des Debats" ridicules the rumors of a "coup d'etat" and says they are only the magnified echoes of the talk of the Boulangerists who urged the Government to adopt energetic measures for the suppression of Boulangerist intrigues.

UPRISING ON THE ISLAND OF FORMOSA.

San Francisco, Nov. 23.—The steamer Rio de Janeiro arrived from Hong Kong and Yokohama to-day. The correspondent of "The China Mail" states that an uprising has taken place in Formosa, which may result seriously. The registration and removal of the rice and sugar districts in the south and west of the island has been in progress for some time, with the view of increased taxation, and has caused great ill-will against the authorities, especially the Imperial Commissioner. The Chinese settlers, aided by the natives, took possession of the large walled town of Ching Hoa, where they received recruits and then proceeded to another large town, which they also occupied. The British Consul telegraphed for a gunboat.

AN ONXIOUS CUBAN TAX.

Havana, Nov. 23.—At a meeting of merchants held here yesterday a committee was appointed for the purpose of making every effort to effect the repeal of the recent decree imposing a consumption tax on all eatables, drinkables and fuel. The whole Cuban press has protested against the measure, and the clamor against it has been so great that the Mayor has resigned his office. The committee will endeavor to get the rise in flour the price of bread has gone up 25 per cent.

ACCUSING THE SHERIFF OF ERIC CONY.

Buffalo, Nov. 23 (Special).—A sensation was caused in the Board of Supervisors to-day by the report of the Jail Investigating Committee. They charge that the Jail is unsafe, that the prisoners are not given enough to eat and that a number of the Sheriff's employees are being bribed, turning their backs on the Sheriff.

On the other hand, the Sheriff's report says that the Jail is safe, that the prisoners are given enough to eat and that the Sheriff's employees are not being bribed. The report also says that the Sheriff is a good man and that the Jail is a good place.

Parsons acknowledged to the witness that he had been the Pole for safe-keeping, and was intending to send him to New-York to get rid of him. Several witnesses testified to the extreme cruelty practised by Parsons in the case.
